2018 WWOA GERALD H. SLATTERY SHORT COURSES SCHOLARSHIP PROGRAM

The WWOA is pleased to announce that, once again, the Gerald H. Slattery Scholarships are to be awarded to eligible WWOA members for participation in the 69th Annual Water and Wastewater Operators Short Courses. The Short Courses will be held June 3rd – June 8th, 2018, at Mount Saint Mary's University in Emmitsburg, MD.

The Scholarships cover the expenses of registration, lodging, and meals (as provided by the Short Courses) for WWOA members selected at a random drawing to be held at the Executive Board Meeting on March 21, 2018. Members need not be present to win. Only one entry per member will be accepted. Up to sixteen scholarships will be awarded (four for each of WWOA's Sections).

To enter the drawing for the Scholarships, simply complete and return the attached entry form so that it is received no later than March 19, 2018, by mail (or you may fax your entry to 202-787-4790 no later than March 19th). **Only current WWOA members (2018 dues paid as of March 19, 2018) are eligible.** Winners will be notified no later than April 5, 2018. Scholarships are valid for the 2018 Short Courses only and are not transferable. If a winner is unable to attend, or receives Short Courses funding from any other source (excluding themselves), the scholarship becomes void. Winners must claim scholarship no later than April 26, 2018. The registration fee, lodging, and meal costs (a \$595 value) will be paid directly from WWOA to the Short Courses. No cash awards will be made directly to winners. WWOA is not responsible for lost, stolen, misplaced, unreadable or late entries.

If you have any questions regarding the 2018 Short Courses Scholarships, please contact Sharita Lyle at 202-787-4191, or sharita.lyle@dewater.com.

Another great benefit of WWOA Membership!!!
