**THE WATER AND WASTE OPERATORS ASSOCIATION
OF MARYLAND, DELAWARE, AND DISTRICT OF COLUMBIA
CENTRAL SECTION**

The W.W.O.A., along with The Central Section of the WWOA, will hold a joint spring regional meeting on **April 12th, 2017**. This meeting / tech. session will be held at the **Ferndale Vol. Fire Co., Ferndale, Md.** (Directions on reverse side). A business meeting will be held and followed by technical session. Lunch will be buffet style on site in the hall.

Registration begins at 8:00 am, and will include coffee and donuts. An agenda appears below. Technical session will be submitted for T.R.E. approval.

Technical Session (AM & PM) – “**State of the Art Energy Efficient Process Control Technologies**” presented by Mr. Rob Kershner., President, K.E.T., LLC. (approx. 4 hours). This presentation will highlight energy efficient technologies available for process control of Blowers, D.O., Diffusers, Sensors and many more widely used pieces of equipment. This will be extremely valuable information for everyone in our industry.

Two Central Section **Short Course Scholarships** will be drawn at this regional. The winners will be selected from those attending.

The Central Section **election of officers** will be held at this meeting as well. Director –Elect and (3) Trustee positions will be voted upon. You may direct nominations to Marshall Phillips (marshall.phillips@baltimorecity.gov) prior to the meeting.

Pre-Registration for the meeting will be \$20.00 for members, which includes the meeting, tech. sessions and lunch. For those attending the business meeting and technical session only, there will be a fee of \$5.00. Non-members add \$20.00 for annual association dues. Registration will be accepted at the door for \$25.00 (members) \$45.00 (non-members).
